

INDEPENDENT AUDITOR'S REPORT ON REVIEW OF INTERIM FINANCIAL INFORMATION

**To The shareholders and Board of Directors of
Regional Container Lines Public Company Limited**

I have reviewed the accompanying consolidated statement of financial position as at 30 June 2025 of Regional Container Lines Public Company Limited and its subsidiaries, the related consolidated statements of income and comprehensive income for the three - month and six - month periods ended 30 June 2025, the statements of changes in equity and cash flows for the six - month period ended 30 June 2025, as well as the condensed notes to the consolidated financial statements, and I have also reviewed the separate financial information for the same periods of Regional Container Lines Public Company Limited. Management is responsible for the preparation and presentation of this interim financial information in accordance with Accounting Standard 34 "Interim Financial Reporting". My responsibility is to express a conclusion on this interim financial information based on my reviews.

Scope of review

I conducted my reviews in accordance with Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with auditing standards and consequently does not enable me to obtain assurance that I would become aware of all significant matters that might be identified in an audit. Accordingly, I do not express an audit opinion.

Conclusion

Based on my reviews, nothing has come to my attention that causes me to believe that the accompanying interim financial information is not prepared, in all material respects, in accordance with Accounting Standard 34 "Interim Financial Reporting".

Regional Container Lines Public Company Limited and its subsidiaries

Notes to interim financial statements

For the three - month and six - month periods ended 30 June 2025

1. General information

1.1 General matter

Regional Container Lines Public Company Limited (“the Company”) was incorporated as a public limited company under Thai laws. The Company operates its business in Thailand and other countries in South China Sea and its principal activity is in the business of international vessel operations. The Company’s registered address is 127/35 Ratchadapisek Road, Chongnonsi, Yannawa, Bangkok.

1.2 Basis for the preparation of the interim financial statements

These interim financial statements are prepared in accordance with Accounting Standards No. 34 “Interim Financial Reporting”, with the Company choosing to present condensed interim financial statements. However, the Company has presented the statements of financial position, changes in shareholders’ equity, income, comprehensive income and cash flows in the same format as that used for the annual financial statements.

These interim financial statements are presented in Thai Baht which is different from the functional currency of the Company, which is US Dollar. The presentation is in Thai Baht in accordance with the regulatory requirements in Thailand.

The USD functional currency interim financial statements are translated into the Thai Baht presentation currency financial statements at the rate of exchange prevailing at the end of reporting period in respect of assets and liabilities, and the transactions in the income statements and statements of comprehensive income are translated at the average exchange rates of each period, differences being recorded as “Exchange differences on translating financial statement” in other comprehensive income, other component of shareholders’ equity.

The interim financial statements are intended to provide information additional to that included in the latest annual financial statements. Accordingly, they focus on new activities, events and circumstances so as not to duplicate information previously reported. These interim financial statement should therefore be read in conjunction with the financial statements for the year ended 31 December 2024.

An English language version of the interim financial statements has been prepared from the statutory interim financial statements that were issued in Thai language. In case of conflict or difference in understanding, the interim financial statements in Thai language shall prevail.

1.3 Basis for the preparation of the interim consolidated financial statements

These interim consolidated financial statements include the financial statements of Regional Container Lines Public Company Limited and its subsidiaries (“the Group”) and have been prepared on the same basis as that applied for the consolidated financial statements for the year ended 31 December 2024.

2. Significant accounting policies

The interim financial statements are prepared by using the same accounting policies and methods of computation as were used for the financial statements for the year ended 31 December 2024.

The revised financial reporting standards which are effective for fiscal years beginning on or after 1 January 2025, do not have any significant impact on the Group’s financial statements.
